

The College of Piping Gold Rush 50/50

How to Play

1. Drop in to the College of Piping or one of our retail supporters and tell the sales person you would like to become a member of the College of Piping Gold Rush Draw.
2. They will give you a ticket with a number on it. Please fill in your name and contact information very clearly on the ticket. Only one name per ticket.
3. Hand the ticket with your name and information back to the retailer (please take note of your number, or keep the other portion of the stub). You are now a member of our Gold Rush Draw with an assigned number.
4. The cost to play is \$2 a week. Write your number very clearly on the provided stickers located beside Gold Rush box. Attach the sticker to your toonie and drop it in the box.
5. Please sign in for the current week only. Do not date toonies for upcoming draws.
6. Weekly draws are made every Thursday afternoon.
7. Boxes at our retail locations are collected on Thursday mornings, with the exception our North Shore locations (Gallant's Clover Farm, Rustico and Race Trac Gas, Stanley Bridge) and our location in Cornwall (Gass' General Store) which are collected Wednesday evening. Sign in can be done at the College of Piping until 1:00pm on Thursday.
8. The draw's value is 50% of the total pool. In the event a number is drawn that is not signed in, that amount is carried over and added to the next weeks draw.
